EDUCATION

B.A.	1968	Psychology, Temple University
M.A.	1971	Psychology, Temple University
Ph.D.	1973	Social Psychology, Temple University

PROFESSIONAL BACKGROUND

2008-	Secondary Member, Department of Community & Behavioral Health, College of Public Health, University of Iowa
2006-	Appointed Collegiate Fellow of College of Liberal Arts & Sciences, University of Iowa
2003-	Coordinator of Health Psychology Training Area
2003-2009	Chair, Institutional Review Board-02 (Social & Behavioral Sciences), University of Iowa
2002-2003	Coordinator of Personality & Social Psychology Training Area
1999-2003	Vice Chair, Institutional Review Board-02 (Social & Behavioral Sciences)
1999-2001	Coordinator of Graduate Studies, Department of Psychology
1990-2003	Health Psychology Special Interest Head
1990-present	Professor, Department of Psychology, University of Iowa
1987-1990	Professor, Department of Psychology, State University of New York at Albany
1987-1990	Co-Director, Center for Applied Psychological Research, State University of New York at Albany
1987-1990	Research Associate, Center for Stress and Anxiety Disorders, State University of New York at Albany
1984-1990	Director, Social-Personality Program, State University of New York at Albany
1978-1987	Associate Professor, Department of Psychology, State University of New York at Albany
1978-1981	Director of Graduate Studies, Department of Psychology, State University of New York at Albany
1975-1978	Assistant Professor, Department of Psychology, State University of New York at Albany
1972-1975	Assistant Professor, Department of Psychology, Georgetown University
1971	Visiting Graduate Student (NDEA predoctoral Fellowship), Department of Social Relations, Harvard University (Prof. Robert Rosenthal, sponsor)
1969-1970	Research Assistant to Prof. Ralph Rosnow, Department of Psychology, Temple University, NSF Grant GS-2385
1968-1969	Research Assistant to Prof. Robert Weisberg, Department of Psychology, Temple University

RESEARCH INTERESTS

Social Comparison Processes: Social Influence; Ability and Opinion Evaluation; Self-Evaluation

Health Psychology/Behavioral Medicine: Psychosocial factors in etiology and coping with coronary heart disease; Cardiovascular psychophysiology; Life stress, coping, and illness; social norms and health behaviors.

Mood and emotion: Stress and daily affective experience; personality and mood

AWARDS AND HONORS

NDEA Fellow, 1969-1972.

Elected to Society of Experimental Social Psychology, 1981.

Elected to Academy of Behavioral Medicine Research, 1986.

National Science Foundation Fellow for University of Iowa Summer Research Program in Social Psychophysiology, May 31-June 27, 1987.

Elected to Fellow Status, American Psychological Association, Division 8, 1987.

Elected to Fellow Status, Society of Behavioral Medicine, 1992.

Elected to Fellow Status, American Psychological Association, Division 38, 1995.

Elected to Executive Council, Academy of Behavioral Medicine Research, 2004-2007; Re-elected for second term, 2008-2011.

Elected as Member-at-Large, Division 38 (Health Psychology Division, APA), 2005-2008.

Appointed Collegiate Fellow, College of Liberal Arts & Sciences, University of Iowa, 2006-

Presidential Citation for Exceptional Service to Division 38, Health Psychology of the American Psychological Association, August 12, 2006.

Elected to Fellow Status, Association for Psychological Science, 2007

Elected to Executive Committee, Society of Experimental Social Psychology, 2007-2010.

President-Elect, Division 38 (Health Psychology) of American Psychological Association, 2008-09.

President, Division 38 (Health Psychology) of American Psychological Association, 2009-2010.

GRANTS:

Research Associate, National Institute of Mental Health Grant, "Moral judgment and interpersonal judgment in children" (LRO3MH26213-01), 1974-1975. Daniel C. Gutkin, Principal Investigator, Department of Psychology, Lafayette College.

"The role of incongruity and cueing in human appreciation." Faculty Research Grant from the Research Foundation of the State University of New York, Summer, 1976.

"Type A reactions to competition." Faculty Research Grant from the Research Foundation of the State University of New York, Summer 1980.

"Psychology for pre-medical students." Faculty Grant for the Improvement of Undergraduate Instruction from the Research Foundation of the State University of New York, Summer, 1981.

Faculty Development Grant for Training in the Assessment of Type A Coronary-Prone Behavior Patter. Workshop conducted by Ray Rosenman, Margaret Chesney, and Michael Hecker, SRI International, Menlo Park, CA, September 16-18, 1983.

"Recent life events and illness among prison inmates." Contract with Federal Prison System, United States Department of Justice, 1983.

Co-Investigator (15%, 1987; 20%, 1988-1990) "Psychological treatment of Irritable Bowel Syndrome" (Edward B. Blanchard, P.I.) NIDDK R01, 1987-1990; \$475,000.

Principal Investigator (30%) "Coronary-prone behavior, conventional CHD risk factors and reactivity." National Heart, Lung, and Blood Institute, R01 39118, 1988-1990, \$138,200.

Principal Investigator (25%) "Coronary-prone behavior and life stress." National Heart, Lung, and Blood Institute, R01 HL46448, 1990-1994, \$472,813. No cost extension to 8/95.

Principal Investigator, "Investigations of the proxy social comparison model of ability self-evaluation" National Science Foundation, 1996-1999, \$209, 983 plus REU Supplement, 1997-98: \$4,000.

Principal Investigator, "Role of gender and living arrangement in adaptation to coronary heart disease" American Heart Association-Iowa Affiliate, 1996-1998, \$42,550; no-cost extension to 11/98.

Co-Principal Investigator (with John Rapon, School of Music). "Emergence and Impact of the jazz avant garde: A musicological and social psychological analysis." Interdisciplinary research grant from Obermann Center for Advanced Studies, University of Iowa. Summer 2002, \$9,000.

Principal Investigator, "Investigations of the triarchic model of opinion comparison" National Science Foundation, 2000-2003, \$212,932 (no cost extension 8/31/04).

Principal Investigator, "Coping and social comparison in elderly cardiac patients." National Institute of Aging, 1R21 AG024159-01A1, 2005-2007, no-cost extension 2008; \$205,000.

Principal Investigator, "Vulnerability beliefs and actions following a tornado disaster" National Science Foundation, BCS-SGER, 0634901, 2006-2007; no cost extension 2008, \$98,216.

Co-Investigator (2.5%), "HPA Axis Dysregulation and Inflammation in Patients with IC/PBS" (Project 1, Dr. Susan Lutgendorf, PI), "Multi-disciplinary Approach to the Study of Chronic Pelvic Pain." NIDDK, 1U01DK082344-01, 10/15/08-6/30/13, \$121,888.

Principal Investigator, "Helping Young Smokers Quit" (HYSQ) study (Evaluation of youth smoking cessation programs), Contract with WESTAT, University of Illinois-Chicago & Robert Wood Johnson Foundation, \$65,622; December 2008-August 2009.

CONSULTANTSHIPS

"Education et Formation: Effets de Contexte" (Education and Training: Context Effects), Prof. Pascal Huguet (PI), University de Provence, from French Ministry of Education, 9/04-9/07.

Senior Scientist, "Rumor Propagation: Modeling and Testing Dynamic Social Influence Mechanisms" Prof. Nicholas DiFonzo, PI, Rochester Institute of Technology, HSD- Dynamics of Human Behavior Program, from National Science Foundation,; 8/06/05 to 8/06/08.

PROFESSIONAL MEMBERSHIPS

American Psychosomatic Society

EDITORIAL POSITIONS AND PROFESSIONAL SERVICE

Editor-in-Chief, 2006-: Wiley/Blackwell Social and Personality Psychology Compass.
(Online journal of peer-reviewed survey articles; with 10 topic sections launched January 2008)

Editor, 1998-2001: Personality and Social Psychology Bulletin (Official journal of the Society for Personality and Social Psychology, published by Sage Publications.)

Associate Editor, 1991-96: Journal of Personality and Social Psychology: Interpersonal Relations and Group Processes (American Psychological Association journal)

Editorial Boards:

Health Psychology, 1983-1989; 1994, 1996, 2001-2005

Journal of Personality and Social Psychology: Attitudes and Social Cognition, 1986-1990

Journal of Behavioral Medicine, 1984-2004

Journal of Personality and Social Psychology: Personality and Individual Differences, 1985, 2003-2008.

Journal of Personality, 1985-1998

Journal of Applied Social Psychology, 1986-present

Annals of Behavioral Medicine, 2005-

Health Psychology Review, 2005-

Motivation and Emotion, 2005-

Personality & Social Psychology Bulletin, 2009-

Editor for Special Issue:

Journal of Personality on "Personality and Physical Health," Spring, 1987 with J. Rittenhouse

Journal of Personality on "Daily Experience and Personality," 1991 with H. Tennen and A. Affleck

Journal of Personality on "Personality and Coping," 1996 with John H. Harvey.

Society of Behavioral Medicine, Program Reviewer: 1987, 1990, 1991, 1992, 1999, 2000.

American Psychological Association (APA)

Member review committee, Division 8 Program, 1984, 1985, 1987

Member review committee, Division 38 Program, 1984, 1987, 1988, 1998, 1999

Program Chair, Division 38 for 1997 APA Convention

Chair, Division 38 Committee on Research, 1997-1999

Division 38 Liaison with Center for Advancement of Health, 1997-1999

Chair, Ad Hoc Committee on Division 38 Web Site, 1999

Chair, Publications Committee, APA Division 38, (2 terms): 1999-2003, 2004-2005

Chair, Health Psychology Editor Selection Committee, Division 38, 2003-04

Chair, APA Early Career Award in Health Psychology Selection Committee, 2005

Member, Division 38 Nominations Committee, 2005-2006

Member, APA Early Career Award in Personality & Social Psychology Selection Committee, 2008.

APA Education Directorate Capital Hill Visitor to Senator Tom Harkin, Chair of Senate Appropriations Labor, Health/Human Services, Education Subcommittee Supporting FY 2010 GPE Legislation, March 5, 2009.

Invited 2009 APA Division Leadership Conference, January 23-25, 2009, Washington DC.

Academy of Behavioral Medicine Research
Chair, Ad hoc Planning Committee, 2005-2006.
Chair, Research Camp Committee, 2008-
Society of Experimental Social Psychology
Chair, Scientific Impact Award Committee
Member, Career Trajectory Award Committee

GOVERNMENT CONSULTANTSHIPS

Appointments:

National Institutes of Health, National Reviewers' Reserve, 1987-1991.

Appointed Member, Behavioral Medicine Study Section, National Institute of Health, 1983-1986.

Appointed Member, Federal Bureau of Prisons Research Issues Forum, United States Department of Justice, 1989-1994.

Appointed Member, National Science Foundation, Social Psychology Advisory Panel, 1992-1995.

Member, National Heart, Lung and Blood Institute Working Group on "Diagnosis and Treatment of Depression in CHD Patients." 2004-2005.

Appointed Member, Behavioral Medicine Interventions and Outcomes Study Section, National Institutes of Health, 2004-2007.

Appointed Member, Social Psychology Review Panel, National Science Foundation, 2006-2009.

Invited Participant (Interlocutor) , National Cancer Institute Conference "Incorporating Innovative Social Psychological Theory in Cancer Control Research," September 5-7, 2007.

Appointed Chair, Behavioral Medicine Interventions and Outcomes (BMIO) Study Section, National Institutes of Health, 2007-09.

Ad Hoc:

Ad Hoc Member, Behavioral Medicine Study Section, National Institute of Health, 1982.

Member, Special Study Section, National Institutes of Health, April 9, 1984.

Co-Chairperson, Planning Meeting for NIH-Behavioral Medicine Conference on Directions in Behavioral Medicine, February 8, 1984.

Member, Special Study Section, NIH for Project Site Visits, University of Washington School of Dentistry, November 4-7, 1985.

Chairman, NIH program Site Visit, University of Pennsylvania Cancer Control Center, January 9-10, 1986.

Reviewer, Arizona Disease Control Center, 1986, 1987.

Chairman, Special Study Section, NIH, Arlington, VA, July 20, 1987.

Member, Special Study Section, NIH, August 28, 1987.

Chairman, NIH Site Visit Team and Ad Hoc Study Section, Cornell University Medical Center, New York City, October 19-20, 1987.

Member, NIH Site Visit Team, University of Southern California School of Medicine, April 3-4, 1988.

Chair, NIH Ad Hoc Study Section, July 21, 1988.

Chair, NIH Ad Hoc Study Section, December 7, 1988.

Ad Hoc Member, Behavioral Medicine Study Section, NIH, February 8-10, 1989.

Chair, NIH Ad Hoc Study Section, April 14, 1989.

Member, Special Study Section, Epidemiology and Disease Control-2, NIH, Washington, D.C., June 22, 1989.

Member, Special Study Section for Review of Applications Responding to RFA AG-89095, NIA, Washington, D.C., July 23-24, 1990.

Chair, Special Ad Hoc Study Section, NIH, December 12, 1990.

Consultant, Treatment of Inmates' Addictions to Drugs (TRIAD), Federal Bureau of Prisons, U.S. Department of Justice, 1990-1994.

Ad hoc member, Behavioral Medicine Study Section, February 5-7, 1992.

Panel member, Review Committee for Presidential Faculty Fellows Program, National Science Foundation, February 2-3, 1992.

Ad hoc reviewer, National Cancer Institute, Administrative Supplements: The impact of cancer on the family, August 1999.

Member, Breast Cancer Review Panel, U.S. Army Medical Research and Material Command (USAMRMC), October 1995.

Participant, "Toward Better Theories of Health Behavior Workshop 2002, National Cancer Institute, Division of Cancer Control and Population Sciences, May 16-17, 2002, Inn of the Governors, Santa Fe, New Mexico.

Temporary member, National Institutes of Health, Behavioral Medicine: Interventions and Outcomes Study Section, February, June, & October 2003, February 2004, June 2004, October 2004.

Member, NIH Special Emphasis Panel; Treatment Adherence in Sleep Apnea Patients, March 14, 2006.

Member NIH Special Emphasis Panel, July 24, 2006

Member, NHLBI Special Emphasis Panel to review PPG application, February 8, 2007.

Chairperson, NIH Special Emphasis Panel, ZRG1 RPHB-K Interventions for Chronic Conditions, March 8-9, 2007.

Invited participant, Center for Scientific Review, NIH Social & Behavioral Sciences Workshop, April 25, 2007.

Chairperson, NIH Special Emphasis Panel, ZRG1-RPHB-K, "Interventions for Cancer, Pain and Cardiovascular Conditions," July 12-13, 2007.

Chairperson, NIH "Chronic Conditions: Interventions and Outcomes," ZRG1 RPHB-K (03), October 23, 2007.

Invited Participant, NIH Center for Scientific Review, BBBP & RPHB Integrated Review Groups (IRG) Review meeting, January 7-8, 2009.

Chair, NIH ZRG1 RPHB-E 95 Review Meeting, June 2, 2009
