

CURRICULUM VITA
ALAN J. CHRISTENSEN

PERSONAL INFORMATION

Home address: 1375 Wild Turkey Court NE
Swisher, Iowa 52338

Office address: Department of Psychology
Spence Laboratories of Psychology
The University of Iowa
Iowa City, Iowa 52242
Phone: (319) 335-3396

Current position: Professor
Departments of Psychology
and Internal Medicine
The University of Iowa

EDUCATIONAL BACKGROUND

B.S. University of Utah, Psychology,
Completion date: June, 1987

M.S. University of Utah, Clinical Psychology,
Thesis: Effects of Cynical Hostility and
Self-Disclosure on Cardiovascular Response.
Completion date: February, 1991

Ph.D. University of Utah, Clinical Psychology,
Dissertation: Psychological Adjustment and Adherence in End-Stage
Renal Disease: A Patient by Treatment Interactional Approach.
Completion date: June, 1993

APA-approved Clinical Psychology Internship Program, Portland
V.A. Medical Center/Oregon Health Sciences University
September, 1992 - August, 1993

ACADEMIC POSITIONS

1993--1997	Assistant Professor Department of Psychology The University of Iowa
1997--2001	Associate Professor (Tenured) Department of Psychology The University of Iowa
1998--2005	Director of Clinical Training Department of Psychology The University of Iowa
2002--present	Professor Department of Psychology Joint member of the Clinical Psychology and Health Psychology Graduate Training Programs The University of Iowa
1999--2002	Associate Professor Department of Internal Medicine The University of Iowa College of Medicine
2002--present	Professor Department of Internal Medicine Divisions of General Medicine and Nephrology and Hypertension The University of Iowa Carver College of Medicine
2004--present	Senior Scientist Department of Veterans Affairs, Iowa City VAMC “Center for Research in the Implementation of Innovative Strategies in Practice” (CRIISP), A VA HSR&D Center of Excellence
2006--present	Chair Department of Psychology The University of Iowa

PROFESSIONAL ORGANIZATIONS AND LICENSES

Fellow-Society of Behavioral Medicine
Member-American Psychological Association
Member-APA Division 38 (Health Psychology)
Member-American Psychosomatic Society
Elected Member-Academy of Behavioral Medicine Research

Licensed Psychologist, State of Iowa, #00741
Health Service Provider, State of Iowa

HONORS/AWARDS

Commendation for Outstanding Clinical Psychology Graduate Student Research.
Department of Psychology, University of Utah,
Commendations Awarded 1989, 1990, 1991, 1992

Marriner S. Eccles Graduate Research Fellowship.
Awarded by the Graduate School,
University of Utah 1990-1991
Fellowship renewed 1991-1992

Old Gold Summer Fellowship. Awarded by the University of Iowa, Summer
1994.

Early Career Award for Contributions to Psychosomatic Medicine.
Awarded by the American Psychosomatic Society, 1999.

Award for Outstanding Early Career Contributions to
Health Psychology. Awarded by Division 38 of the
American Psychological Association, 1999.

American Psychological Association Distinguished Scientific Award for Early
Career Contribution to Psychology (in the area of Health Psychology), 2000.

Early Career Award for Contributions to Behavioral Medicine Research. Awarded
by the Society of Behavioral Medicine, 2000.

Fellow, Society of Behavioral Medicine, 2004.

"Quality of Life in Chronic Illness." Twenty Sixth Annual National Kidney Foundation of Iowa Meeting, Cedar Rapids, Iowa, October, 1995.

"Understanding patient nonadherence in renal dialysis." Continuing Medical Education

presentation, Department of Internal Medicine, University of Iowa College of Medicine, May 1996.

"Recognition and implications of depression in renal dialysis patients". Department of Nursing, University of Iowa, 1997.

"Patient adaptation in chronic physical illness: A person by context interactive framework." Department of Psychology, Ohio State University, January 1998.

"Patient adherence and adjustment in end-stage renal disease: Personality and coping in context." Department of Psychology, Georgia State University, April 1998.

"Patient adaptation in chronic physical illness: A person by context interactive framework." Department of Psychology, University of Cincinnati, May 1998.

"Patient X treatment interaction and adherence in chronic disease: Osler revisited." The American Psychosomatic Society, April, 1999 (Early Career Award Address).

"Psychological influences on patient compliance with treatment." Department of Internal Medicine Grand Rounds, The University of Iowa College of Medicine, May 1999.

"Patient compliance in end-stage renal disease." End-Stage Renal Disease Network 12, 11th annual educational meeting. Kansas City, Missouri, September 1999.

"Patient individual differences, contextual features, and adaptation to chronic disease." Department of Psychology, Arizona State University, February 2000.

"Patient adherence with prescribed treatment regimens: Congruency, control, and conditioning." The American Psychological Association, August, 2000 (Early Career Award Invited Address).

"Psychosocial processes and survival in chronic renal insufficiency." Division of Nephrology, Department of Internal Medicine, University of Iowa College of Medicine, December 2000.

"Patient treatment adherence research in chronic disease: The action is in the interaction". Center for Research in Chronic Disorders, The University of Pittsburgh, February 2002.

"An interactive framework for patient adherence research". Department of Psychology, The University of Iowa, Post-Promotion Colloquium, May 2002.

"Patient treatment adherence research in chronic disease: The action is in the interaction". Department of Psychology and Social Behavior, The University of California, Irvine, November 2002.

"Predicting health-related quality of life in renal transplantation". Division of General Medicine, Department of Internal Medicine, University of Iowa College of Medicine, March 2003.

"Irrational health appraisals: An alternative view of cognition and health". Presented at the annual meeting of the American Psychological Association (August, 2003).

"Getting your work into print" (Professional Development Seminar). Presented at the Society of Behavioral Medicine annual meeting, April 2005 and April 2006

"Patient adherence to medical regimens: Levels of understanding and intervention". Presented at the annual meeting of the American Psychosomatic Society (March, 2005).

"Patient adherence to medical regimens: The action is in the interaction". Department of Psychology, The University of North Carolina, Chapel Hill, April 2005.

"Patient Adherence to Medical Regimens: Levels of Understanding and Intervention". School of Public Health, The University of Iowa, April 2005.

"Patient Adherence to Medical Regimens: Levels of Understanding and Intervention". Department of Psychiatry Grand Rounds, Mayo Clinic College of Medicine, June 2006.

"A biobehavioral research program in chronic kidney disease." Division of Nephrology, Department of Internal Medicine, University of Iowa College of Medicine, November 2006.

"Patient Adherence to Medical Regimens: Toward a contextual understanding". British Psychological Society/Division of Health Psychology Annual Meeting, Keynote Address, Nottingham, England, September, 2007.

Research Support

Agency: Central Investment Fund for Research Enhancement: The University of Iowa.
Proposal: "Self-disclosure, hostility, and immune function."

Type: Intramural

Role: PI

Amount: \$7,500

Status: Completed. Funding period January 1994 -- December 1994.

Agency: National Institutes of Health (National Institute of Diabetes, Digestive, and Kidney Diseases).

Proposal: "Promoting patient adherence and adjustment in renal dialysis."

Type: R29

Role: PI

Amount: \$511,835

Status: Completed: Project period January 1995 -- December 1999

Agency: National Institutes of Health (National Institute of Diabetes, Digestive, and Kidney Diseases).

Proposal: "Patient adherence and adjustment in end-stage renal disease."

Type: RO1 (competitive renewal)

Role: PI (35% effort)
Amount: \$515,600
Status: Completed: Project period January 2000 -- December 2004

Agency: National Institutes of Health (National Institute of Diabetes, Digestive, and Kidney Diseases).
Proposal: "Effect of depression on hemodialysis termination."
Type: Minority Supplement
Role: PI/Mentor
Amount: \$29,741
Status: Completed: Project period January 2003 -- December 2004

Agency: Department of Veterans Affairs
Proposal: "Center for Research in the Implementation of Innovative Strategies in Practice" (CRIISP)
Type: Center of Excellence (Center grant)
Role: Senior Scientist/Core Investigator (25% effort)
Amount: \$3,600,000
Status: Active: Project period June 2004—May 2009

Agency: National Cancer Institute
Proposal: "Long-term outcomes in head and neck cancer patients".
Type: RO1
Role: Co-Investigator (15% effort)
Amount: \$800,000
Status: Active: Project period April 2004 -- March 2008 (now in no cost extension)

Agency: Department of Veterans Affairs
Proposal: "Implementing evidence based treatment of hypertension"
Type: Investigator Initiated Research
Role: Co-Investigator (15% effort)
Amount: \$884,300
Status: Active: Project period July 2005—June 2009

Agency: National Institutes of Health
Proposal: University of Iowa Older Adults CERT (subproject "Provider-patient symmetry, treatment adherence and clinical outcomes")
Type: Center Grant (U18)
Role: Co-Investigator/sub-project PI (5% effort)
Amount: \$54,633 (subproject budget) \$543,388 (total budget for Year 1)
Status: Active: Project period April 2006—March 2011

Agency: National Institutes of Health (National Institute of Diabetes, Digestive, and Kidney Diseases).
Proposal: "Behavioral Intervention and adherence in hemodialysis"
Type: R01
Role: PI

Amount: \$613,565
Status: Active: Project period July 2006-- June 2009

Agency: Department of Veterans Affairs
Proposal: "Patient and Provider Attitudes in the Healthcare Context"
Type: Investigator Initiated Research
Role: PI
Amount: \$553,400
Status: Active: Project period July 2007—June 2010

Agency: National Institutes of Health (NHLBI)
Proposal: "Enhanced Continuity of Pharmacy Care for Cardiovascular or Pulmonary Diseases"
Type: R01
Role: Co-Inv. (10%)
Amount: \$3,611,053
Status: Active: Project period June 2007—March 2012
