

# Cathleen M. Moore

## *Curriculum Vita*

March 2008

---

11 Seashore Hall E, Dept of Psychology, University of Iowa, Iowa City, IA, 52242  
Phone: (319) 335-2427      FAX: (319) 335-0191      Email: cathleen-moore@uiowa.edu  
Website: www.psychology.uiowa.edu/labs/iapl

---

### **Present Position**

Professor, Department of Psychology, University of Iowa

### **Previous Positions**

2001 - 2007      Associate Professor  
                         Dept. of Psych, Pennsylvania State University  
2003              Visiting Research Faculty (sabbatical)  
                         Dept. of Psych, University of British Columbia  
1996 - 2001      Assistant Professor  
                         Dept. of Psych, Pennsylvania State University  
1994 - 1996      Postdoctoral Fellow  
                         Dept. of Psych, Johns Hopkins University  
1989 - 1994      Graduate Student  
                         Dept. of Psych, University of California, San Diego  
1989              Psychology Technician (summer)  
                         Lab. of Socio-Environmental Studies, NIH  
1988 - 1989      Research Assistant/Lab Coordinator  
                         Dept. of Psych, Hamilton College

### **Education**

1989 - 1994      University of California, San Diego; La Jolla, CA  
                         Ph.D. in Psychology; September, 1994  
1986 - 1987      Malungs Folkhögskola; Dalarna, Sweden  
                         Scandinavian Seminar — University of Massachusetts, Amherst  
1984 - 1988      Hamilton College; Clinton, NY  
                         B.A. in Psychology and Philosophy; May, 1988

### **Honors & Awards**

|   |      |
|---|------|
| APA Fellow (Division 3)   | 2005 |
| Distinguished Alumnus Medal – Hamilton College                              | 2005 |
| Member of Sigma Xi  | 2005 |
| APA Division 3 Young Investigator Award ( <i>JEP:HPP</i> , 24)              | 1999 |
| APA Division 3 Young Investigator Award – Hon. Ment. ( <i>JEP:HPP</i> , 23) | 1998 |
| B. F. Skinner Senior Research Award in Psychology (Hamilton College)        | 1988 |
| Babcock Senior Award in Philosophy (Hamilton College)                       | 1988 |
| Member of Phi Beta Kappa  | 1988 |

## **Professional Memberships**

American Psychological Association  
American Psychological Society  
Psychonomic Association  
Vision Sciences Society

## **Professional Service**

### **Editorial Service**

- Associate Editor:  
*Psychonomic Bulletin & Review* (2002-2005)
- Editorial Board:  
*Journal of Experimental Psychology: HPP* (1998-present)  
*Perception & Psychophysics* (1997-2003; 2008-present)  
*Visual Cognition* (2005-present)
- Ad hoc reviewer for the following additional journals: *American Journal of Psychology*, *Cognition*, *Cognitive Psychology*, *Journal of Cognitive Neuroscience*, *Journal of Experimental Psychology: General*, *Journal of Vision*, *Journal of Experimental Child Psychology*, *Psychonomic Bulletin & Review*, *Psychological Science*, *Spatial Vision*, and *Vision Research*

### **Other National and International Service**

- Chair, APA Division 3 Fellows Committee (2007)
- Member, APA Division 3 awards committee member (2004)
- Chartered Member, Cognition & Perception Study Section (2006-present)
- Ad hoc Member, NIMH BBBP-4/Perc & Cog Study Section (2002-2005)
- Member, National Review Panel for NSF-REU sites (1998)
- Ad hoc reviewer, National Science Foundation
- Ad hoc reviewer, National Science & Engineering Council (NSERC), Canada
- Ad hoc reviewer, Binational Science Foundation, Israel and United States
- Member, panel on dual careers at 2003 meeting of the Psychonomic Society
- Expert witness regarding visual perception and life guarding, Ephrata, WA (2005)

### **Institutional Service (University of Iowa)**

- Faculty Search Committee for Developmental Science, outside member (2007-2008)
- Committee for Undergraduate Studies, member (2007-2008)
- CLAS Information Technology Committee, member (2008-present)

### **Institutional Service (Penn State University)**

- Director of Graduate Training (2006-2007)
- Department Planning and Advisory Committee to the Head, member (2002-2007)
- Tenure and Promotion Committee, member (2002-2007)
- Cognitive Area Coordinator (2001-2003)
- Subject Pool Coordinator (1996-1999)
- Undergraduate Honors Advisor (1997-1999)
- Faculty Search Committee (clinical), member (1998-1999)
- Faculty Search Committee (cognitive development), member (1996-1997)
- Department Head Search Committee, member (2006-2007)
- College Faculty Advisory Committee to the Dean, member (2006-2007)
- University Graduate Council, member (2006-2007)
- University Graduate Council Subcommittee on Academic Standards, member (2006-2007)
- Department of Psychology Faculty Representative on University NSF project for recruiting, mentoring and retaining underrepresented minority graduate students (2006-2007)

### **Journal Articles**

- Palmer, J. & Moore, C. M. (in press). Using a filtering task to measure the spatial extent of attention. *Vision Research*.
- Moore, C. M. & Lanagan-Leitzel, L. K. & Fine, E. M. (in press). Distinguishing between the precision of attentional localization and attentional resolution. *Perception & Psychophysics*.
- Chen, P., Moore, C. M., Mordkoff, J. T. (2007). On the Spatial Metric of Short-SOA Costs of Exogenous Cuing. *American Journal of Psychology*.
- Moore, C. M., Mordkoff, J. T., & Enns, J. T. (2007). The path of least persistence: Evidence of object-mediated visual updating. *Vision Research*, 47, 1624-1630.
- Moore, C. M., Lanagan-Leitzel, L. K., Chen, P. Halterman, R., & Fine, E. F. (2007). Nonspatial attributes of stimuli can influence spatial limitations of attentional control. *Perception & Psychophysics*, 69, 363-371.
- Lleras, A., & Moore, C. M. (2006). What you see is what you get: Functional equivalence of a perceptually filled-in surface and a physically presented stimulus. *Psychological Science*, 17, 876-881.
- Moore, C. M., & Fulton, C. (2005). The spread of attention to hidden portions of occluded surfaces. *Psychonomic Bulletin & Review*, 12, 301-306.
- Moore, C. M., & Lleras, A. (2005). On the role of object representations in substitution. *Journal of Experimental Psychology: Human Perception and Psychology*, 31, 1171-1180.
- Lleras, A., Moore, C. M., & Mordkoff, J. T. (2004). Looking for the source of the Simon effect: Evidence for multiple codes. *American Journal of Psychology*, 117, 531-542.
- Moore, C. M. & Enns, J. T. (2004). Substitution masking and the flash-lag effect. *Psychological Science*, 15, 866-871.

- Moore, C. M., Lleras, A., Grosjean, M., & Marrara, M. T. (2004). Using inattention blindness as an operational definition of unattended: A response-end effect. *Visual Cognition, 11*, 705-719.
- Osman, A., Moore, C. M., Ulrich, R. (2003). Temporal organization of covert motor processes during response selection and preparation. *Biological Psychology, 64*, 47-75.
- Marrara, M. T., & Moore, C. M. (2003). The role of the directional cue in the two-rectangles method of assessing object-based selection. *Perception & Psychophysics, 65*, 1103-1109.
- Lleras, A., & Moore, C. M. (2003). When the target becomes a mask: Using apparent motion to isolate the object component of object-substitution masking. *Journal of Experimental Psychology: Human Perception and Performance, 29*, 106-120.
- Moore, C. M., Grosjean, M., & Lleras, A. (2003). Using inattention blindness as an operational definition of unattended: The case of perceptual completion. *Visual Cognition, 10*, 299-318
- Brown, L. E., Moore, C. M., & Rosenbaum, D. A. (2002). Differential Processing of color and depth for recognition and action. *Journal of Experimental Psychology: Human Perception and Performance, 29*, 106-120.
- Moore, C. M., Elsinger, C. E., & Lleras, A. (2001). Spatial attention and the apprehension of spatial relations: The case of depth. *Perception & Psychophysics, 63*, 595-606.
- Moore, C. M. (2001). Inattention Blindness: Perception or memory and what does it matter? *Psyche: An Interdisciplinary Journal of Research on Consciousness, 7*.
- Moore, C. M., & Brown, L. E. (2001). Preconstancy information can influence visual search: The case of lightness constancy. *Journal of Experimental Psychology: Human Perception and Performance, 27*, 178-194.
- Marrara, M. T., & Moore, C. M. (2000). Role of perceptual organization while attending in depth. *Perception & Psychophysics, 62*, 786-799.
- Moore, C. M. (1999). Cognitive impenetrability of early vision does not imply cognitive impenetrability of perception. *Behavioral and Brain Sciences, 2*, 385-386.
- Moore, C. M. & Egeth, H. (1998). How does feature-based attention affect visual processing? *Journal of Experimental Psychology: Human Perception and Performance, 24*, 1296-1310.
- Moore, C. M., Yantis, S., & Vaughan, B. (1998). Object-based visual selection: Evidence from perceptual completion. *Psychological Science, 9*, 104-110.
- Moore, C. M., & Egeth, H. (1997). Perception without attention: Evidence of grouping under conditions of inattention. *Journal of Experimental Psychology: Human Perception and Performance, 23*, 339-352.
- Moore, C. M., Egeth, H., Berglan, L., & Luck, S. J. (1996). Are attentional dwell times inconsistent with serial visual search? *Psychonomic Bulletin & Review, 3*, 360-365.
- Moore, C. M. (1996). Does negative priming imply preselective identification of irrelevant stimuli? *Psychonomic Bulletin & Review, 3*, 91-94.
- Osman, A., Moore, C. M., & Ulrich, R. (1996). Bisecting RT with lateralized readiness potentials: Precue effects after LRP onset. *Acta Psychologica, 90*, 111-127.

- Moore, C. M. (1994). Negative priming depends on probe-trial conflict: Where has all the inhibition gone? *Perception & Psychophysics*, 56, 133-147.
- Ulrich, R., Moore, C. M., & Osman, A. M. (1994). Lateralized readiness potential and reaction time: The effect of partial response cues. *The German Journal of Psychology*, 18, 36-37.
- Moore, C. M., & Osman, A. M. (1993). Looking for two targets at the same time: One search or two? *Perception & Psychophysics*, 53, 381-390.
- Osman, A. M., & Moore, C. M. (1993). The locus of dual-task interference: Psychological refractory effects on movement-related brain potentials. *Journal of Experimental Psychology: Human Perception and Performance*, 18, 1292-1312.
- Ulrich, R., Moore, C. M., & Osman, A. M. (1993). Lateralisiertes Bereitschaftspotential und Reaktionsgeschwindigkeit bei partieller Vorinformation eines Handlungsparameters. *Zeitschrift für Experimentelle und Angewandte Psychologie*, 40, 310-325.
- Andrzejewski, S. J., Moore, C. M., Corvette, M., & Herrmann, D. (1991). Prospective memory skill. *Bulletin of the Psychonomic Society*, 29, 304-306.
- Petro, S. J., Herrmann, D., Burrows, D., & Moore, C. M. (1991). Usefulness of commercial memory aids as a function of age. *International Journal of Aging and Human Development*, 33, 295-309.

## Book Chapters and Reviews

- Moore, C. M. (in press). Inattentional Blindness. To appear in *Oxford Companion to Consciousness*. A. Cleermans, T. Bayne, & P. Wilken (Eds.): Oxford University Press: Oxford, UK.
- Enns, J. T., Lleras, A., & Moore, C. M. (2008). The contribution of object updating to perceptual continuity and scene stability in human vision. To appear in *Issues of space in time in perception and action*. R. Nijhawan (Ed.): Cambridge University Press: Cambridge, UK.
- Moore, C. M. (2004). Objects, objects everywhere, so what are we to think? *Objects and attention* by Brian J. Scholl (Ed.). *Contemporary Psychology*.
- Moore, C. M. (2001). Extensive and fresh coverage, but lacks theoretical focus: *Visual Attention* by Richard D. Wright (Ed.). *Contemporary Psychology*, 46, 147-149.
- Moore, C. M., & Wolfe, J. M. (2001). Getting beyond the serial/parallel debate in visual search: A hybrid approach. In K. Shapiro (Ed.) *The limits of attention: Temporal constraints on human information processing*. (pp. 178-198) Oxford: Oxford University Press.

## Outreach publications

- Griffiths, T., & Moore, C.M. (2004). A matter of perception: Why lifeguards sometimes fail to see victims on the bottom of the pool. *Aquatics International*, 16, 14-15.
- Moore, C. M., & Lanagan-Letizel, L. K. (2006). Research refutes ‘Misconceptions’. *Aquatics International*. 18, 10-11.

## Doctoral Dissertation

Moore, C. M. (1994). *Negative Priming: Evidence for post-categorical inhibitory selection?*  
Unpublished doctoral dissertation, University of California, San Diego, La Jolla, CA.

## Manuscripts Under Review

Moore, C. M., Hein, E., Grosjean, M., Rinkenauer, G. (under review). Limited influence of perceptual organization on the precision attentional localization. *Perception & Psychophysics*.

Hein, E., & Moore, C. M. (under review). Unmasking the standing wave of invisibility. *Perception & Psychophysics*.

## Grants and Fellowships

### *Grants Funded*

2003-2008 NIH (R01 MH067793) – *Attention and oculomotor control: Attentional resolution*, (PI), \$1,375,000 total costs.

2002-2003 Penn State RGSO faculty research grant – *The control of eye movements and attentional resolution*, (PI), \$5000

1998-2002 NSF (SBR-9728628) – *Visual attention and perception: Locations, objects, and organization*, (PI), \$200,000 total costs

### *Fellowships*

1996-1997 NSF-NATO Postdoctoral Fellowship (declined)

1994-1996 NIH Postdoctoral Traineeship (Johns Hopkins University)

1993-1994 NIH Individual National Research Service Award

1990-1993 NSF Graduate Fellowship

## Colloquia (2002 – present)

February 2007, Department of Psychology, University of Illinois, Champaign-Urbana

May 2007, Visual Cognition Group, Dept. of Psychology, Yale University, New Haven, CT

January 2007, Department of Psychology, University of Iowa, Iowa City, IA

December 2006, Center for Cognitive Neuroscience, Duke University, Durham, NC

November 2006, Dept. of Psychology, Michigan State University, Lansing, MI

October 2005, Science Building Dedication, Hamilton College, Clinton NY

January 2005, International Conference on Attentional Control at the National Chun-Chang University Chia-Yi, Taiwan.

July 2004, Department of Psychology, University of Arizona, Tucson, AZ

April 2003, Vision and Cognition Group, Dept. of Psych, Univ. of Washington, Seattle, WA

April 2003, Vision Lab, Dept of Psych, UBC, Vancouver, British Columbia

January 2003, Vision Group, Dept. of Psych, UBC, Vancouver, British Columbia

April 2002, Department of Psychology, Hamilton College, Clinton, NY

## Presentations at Academic Meetings

- Hein, E., Moore, C. M., & Palmer, J. (2008). Perceptual structure facilitates spatial filtering. Talk to be presented at the annual meeting of the Cognitive Science and Interdisciplinary Learning conference, Hood River, OR.
- Yigit, S., Palmer, J., & Moore, C. M. (2008). Partially valid cueing and spatial filtering reveal different kinds of selection. Poster to be presented at the 8<sup>th</sup> annual meeting of the Vision Sciences Society, Naples, FL.
- Hein, E., Moore, C. M., & Palmer, J. (2008). Perceptual structure facilitates spatial filtering. Poster to be presented at the 8<sup>th</sup> annual meeting of the Vision Sciences Society, Naples, FL.
- Moore, C. M., & Stephens, T. (2008) When two are one and one is two: Apparent motion, visible persistence, and scene organization. Poster to be presented at the 8<sup>th</sup> annual meeting of the Vision Sciences Society, Naples, FL.
- Hein, E. & Moore, C. M. (2007). Feature migration in the standing wave illusion. Poster presented at the 48<sup>th</sup> Annual Meeting of the Psychonomic Society, Long Beach, CA.
- Palmer, J., & Moore, C. M. (2007). Using foils to measure spatial tuning functions for visual attention. Paper presented at the presented at the 48<sup>th</sup> Annual Meeting of the Psychonomic Society, Long Beach, CA.
- Moore, C. M., & Stephens (2007). How robust is apparant motion across stimulus change? Poster presented at the 7<sup>th</sup> annual meeting of the Vision Sciences Society Meeting, Sarasota, FL.
- Hein, E. & Moore, C. M. (2007). Spatial limits of shifting attention as revealed through the attentional walk task. Poster presented at the 7<sup>th</sup> annual meeting of the Vision Sciences Society Meeting, Sarasota, FL.
- Palmer, J., & Moore, C. M. (2007). Evidence against contrast gain as the mechanism for ignoring foils in a selective attention task. Talk presented at the 2nd International Workshop on Visual Attention to be held in Buenos Aires, Argentina in March 2007.
- Chen, P., Moore, C. M., Mordkoff, J. T. (2006). On the Spatial Metric of Short-SOA Costs of Exogenous Cuing. Presented at the 16<sup>th</sup> annual Object Perception, Attention, and Memory conference, Houston, TX.
- Hein, E. & Moore, C. M. (2006) Involuntary attention does affect accuracy. Poster presented at the annual meeting of the Psychonomics Society, Houston, TX.
- Moore, C. M. & Lanagan, L. K. (2006). No evidence (so far) of accruing representations of change over time. Poster presented at the 6<sup>th</sup> annual meeting of the Vision Sciences Society in Sarasota, Florida.
- Fine, E. M. & Moore, C. M. (2006). Path length and number of saccades affect saccade accuracy. Poster presented at the 6<sup>th</sup> annual meeting of the Vision Sciences Society in Sarasota, Florida.
- Fine, E. M., Yergunson, S., & Moore, C. M. (2005). Number of distractors and distractor spacing differentially affect attention and saccade tasks. Paper presented at the European Conference on Visual Perception in A Coruña, Spain.
- Fine, E. M., Yergunson, S., & Moore, C. M. (2005). Accuracy of eye movements does not parallel accuracy of attentional movements. Poster presented at the 13th annual European Conference on Eye Movements, in Bern, Switzerland.

- Moore, C. M. & Enns, J. T. (2005). The path of least persistence: Apparent release from motion deblurring caused by disrupted object continuity. Talk presented at the 5<sup>th</sup> annual meeting of the Vision Sciences Society in Sarasota, FL.
- Fine, E. M., Yergunson, S., & Moore, C. M. (2005). Poor saccadic control in a simple search task. Poster to be presented at the 5<sup>th</sup> annual meeting of the Vision Sciences Society in Sarasota, FL.
- Chen, P., Mordkoff, J. T., Moore, C. M. (2005). Responding to the second of two events: The farther away the better. Poster to be presented at the 5<sup>th</sup> annual meeting of the Vision Sciences Society in Sarasota, FL.
- Lanagan, L., Chen, P., Fine, E. M., & Moore, C. M. (2005). Standing out in a crowd: Item discriminability increases attentional resolution. Poster to be presented at the 5<sup>th</sup> annual meeting of the Vision Sciences Society in Sarasota, FL.
- Chen, P., Mordkoff, J. T., Moore, C. M. (2004). A spatially invariant object-dependent visual detection effect. Poster presented at 12th annual Object Perception and Memory conference, Minneapolis, MN.
- Lanagan, L., Mordkoff, J. T., Moore, C. M. (2004). Wipe out! Can preview eliminate items from perceptual representations? Poster presented at 12th annual Object Perception and Memory conference, Minneapolis, MN.
- Moore, C. M., & Enns, J. T. (2003). ). Object substitution and the flash-lag effect. Paper presented at the 44<sup>th</sup> Annual Meeting of the Psychonomic Society, Vancouver, BC.
- Lanagan, L. E., & Moore, C. M. (2003). ). Contrasting the resolution of exogenously and endogenously controlled attention. Poster presented at the 3<sup>rd</sup> annual meeting of the Vision Sciences Society in Sarasota, FL.
- Moore, C. M., & Lleras, A. (2003). Object-token individuation protects targets from object substitution masking. Poster presented at the 3<sup>rd</sup> annual meeting of the Vision Sciences Society in Sarasota, FL.
- Lleras, A., & Moore, C. M. (2002). Perception during perceptual filling-in. Poster presented at the 43<sup>rd</sup> Annual Meeting of the Psychonomic Society, Kansas City, MO.
- Moore, C. M., & Lleras, A. (2002). Isolating the object component of object substitution masking. Poster presented at the Attention & Performance XX meeting in Erice, Italy.
- Moore, C. M., & Lleras, A. (2002). Object substitution masking and object-token individuation. Paper presented at the 2<sup>nd</sup> annual meeting of the Vision Sciences Society in Sarasota, FL.
- Lleras, A., & Moore, C. M. (2002). Is the physical presence of the mask necessary for object-substitution masking to occur? Paper presented at the 5<sup>th</sup> annual meeting of the perception and attention conference, Boston, MA.
- Lleras, A., & Moore, C. M. (2001). Introducing a Probe-Detection Technique for the Study of the Troxler Fading Effect. Poster presented at the 42<sup>nd</sup> Annual Meeting of the Psychonomic Society, Orlando, FL.
- Moore, C. M., Lleras, A., & Grosjean, M. (2001). Perception and action under conditions of inattention. Poster presented at the 1<sup>st</sup> annual meeting of the Vision Sciences Society, Sarasota, FL.

- Lleras, A., & Moore, C. M. (2001). Attentional modulation of Troxler fading. Poster presented at the 1<sup>st</sup> annual meeting of the Vision Sciences Society, Sarasota, FL.
- Fulton, C. S., & Moore, C. M. (2001). The selection of environmental frames of reference. Poster presented at the 1<sup>st</sup> annual meeting of the Vision Sciences Society, Sarasota, FL.
- Lleras, A., & Moore, C. M. (2001). Relating peripheral fading to attentional selection. Paper presented at the 4<sup>th</sup> annual meeting of the perception and attention conference, Washington D.C.
- Fulton, C. S., & Moore, C. M. (2001). Local and global environmental frames of reference in mental rotation. Paper presented at the 4<sup>th</sup> annual meeting of the perception and attention conference, Washington D.C.
- Moore, C. M., Grosjean, M., & Lleras, A. (2000). Evidence of inattentive perceptual completion of occluded and illusory surfaces. Paper presented at the 41<sup>st</sup> Annual Meeting of the Psychonomic Society, New Orleans, LA.
- Lleras, A., Moore, C. M., & Mordkoff, J. T. (2000). Where is attention in a Simon task? Poster presented at the 2000 Annual Meeting of Association for Research in Vision and Ophthalmology; Fort Lauderdale, FL.
- Brown, L. E. & Moore, C. M. (2000). Differential Processing of color and depth for recognition and action. Poster presented at the 2000 Annual Meeting of Association for Research in Vision and Ophthalmology; Fort Lauderdale, FL.
- Lleras, A., Moore, C. M., & Mordkoff, J. T. (2000). Where is attention in a Simon task? Paper presented at the 3<sup>rd</sup> annual meeting of the perception and attention conference, Baltimore, PA.
- Brown, L. E. & Moore, C. M. (2000). Differential Processing of color and depth for recognition and action. Paper presented at the 3<sup>rd</sup> annual meeting of the perception and attention conference, Baltimore, PA.
- Moore, C. M., & Brown, L. E. (1999). Beware the shadows! Preconstancy information can influence visual search. Paper presented at the 40<sup>th</sup> Annual Meeting of the Psychonomic Society, Los Angeles, CA.
- Moore, C. M., & Marrara, M. T. (1999). The apprehension of spatial relations between and within objects. Poster presented at the 1999 Annual Meeting of the Association for Research in Vision and Ophthalmology; Fort Lauderdale, FL.
- Marrara, M. T. & Moore, C. M. (1999). The contribution of edge alignment and surface attributes to the perceptual completion of occluded objects. Poster presented at the 1999 Annual Meeting of the Association for Research in Vision and Ophthalmology; Fort Lauderdale, FL.
- Moore, C. M., Marrara, M. T., Elsinger, C. L. (1998). Visual attention and the apprehension of spatial relations. Paper presented at the 39<sup>th</sup> Annual Meeting of the Psychonomic Society; Dallas, TX.
- Moore, C. M., & Brown, L. E. (1998). A spotlight in the shadows: Visual search and lightness constancy. Paper presented at the 1998 meeting of CSAIL (Cognitive Science Association for Interdisciplinary Learning), Mount Hood, OR.

- Moore, C. M., & Brown, L. E. (1998). Is visual search based on pre- or post-constancy representations? The case of lightness constancy. Poster presented at the 1998 Annual Meeting of the Association for Research in Vision and Ophthalmology; Fort Lauderdale, FL.
- Marrara, M. T., & Moore, C. M. (1998). Allocating visual attention in depth. Poster presented at the 1998 Annual Meeting of the Association for Research in Vision and Ophthalmology; Fort Lauderdale, FL.
- Moore, C. M., & Marrara, M. T. (1997). Visual attention in depth. Paper presented at the 38<sup>th</sup> Annual Meeting of the Psychonomic Society; Philadelphia, PA.
- Moore, C. M., & Egeth, H. (1996). Attending to stimulus features: Contrasting results from reaction time and masked accuracy. Poster presented at the 1996 Annual Meeting of the Association for Research in Vision and Ophthalmology; Fort Lauderdale, FL.
- Moore, C. M. (1996). Are attentional dwell times inconsistent with serial visual search? Symposium Paper presented at the 1996 Annual Meeting of the Eastern Psychological Association; Philadelphia, PA.
- Moore, C. M., & Egeth, H. (1995). Ach, I've been Ponzoed! Evidence for grouping under conditions of inattention. Poster presented at the 36<sup>th</sup> Annual Meeting of the Psychonomic Society; Los Angeles, CA.
- Yantis, S., & Moore, C. M. (1995). Spread of visual attention behind an occluding surface. Paper presented at the 36<sup>th</sup> Annual Meeting of the Psychonomic Society; Los Angeles, CA.
- Osman, A., Moore, C. M., & Ulrich, R. (1994). Precuing effects on perceptual-motor overlap. Invited talk at the KNAW Symposium on discreet versus continuous processing of information, Amsterdam Holland.
- Moore, C. M., Luck, S. J., Hillyard, S. A., & Osman, A. (1994). The locus of negative priming: A convergence approach. Poster presented at the Conference on the Use of Converging Operations in the Study of Visual Selective Attention in Honor of C. W. Eriksen; Champaign, IL.
- Osman, A. M., & Moore, C. M. (1992). Psychological refractory effects on movement-related brain potentials. Paper presented at the 5<sup>th</sup> International Conference on Cognitive Neurosciences (ICON); Jerusalem, Israel.
- Vaughan, J., Rosenbaum, D. A., & Moore, C. M. (1991). Cooperative selection of action in tapping: A quantitative model. Paper presented at the 32<sup>nd</sup> Annual Meeting of the Psychonomic Society; San Francisco, CA.
- Osman, A. M., & Moore, C. M. (1990). Where is attention limited: The effects of dual-task interference on the lateralized readiness potential. Poster presented at the 30<sup>th</sup> Annual Meeting of the Society for Psychophysiological Research (SPR); Boston, MA.
